1. The officers of the SSPSTA had been looking forward for the welfare and benefits of the teaching and non-teaching personnel of the DepEd Surigao del Sur, Bislig City and Tandag City Division which aims to extend financial assistance to all active and retired teachers in times of their dire needs.
2. Every year, new teachers had been hired in the department but some were not able to take the opportunity for financial assistance because of the late information by some of the persons in authority.
3. The new member will only pay Php 230.00 plus Mortuary Assistance of Php 25.00 for every deceased member of the SSPSTA, payable every after notice of death, while the retired teacher will pay Php 5,000.00 as lifetime membership fee of the association.
