Ms. Maria Ines C. Asuncion
OIC - Regional Director
Department of Education - Caraga
Km. 3, Libertad St. Butuan City

Dear Ms. Asuncion,

Greetings from the Fulbright Commission in the Philippines!

The Philippine-American Educational Foundation (PAEF), also referred to as the Fulbright Commission in the Philippines administers various scholarship programs, including its flagship program - the Fulbright program which aims to strengthen the relationship and increase mutual understanding between the people of the United States and the Philippines by awarding study, lecturing, research grants, and fellowship.

PAEF is pleased to announce that it has started its recruitment efforts for the SY2024-2025 for the Fulbright Distinguished Awards in Teaching Program for International Teachers (Fulbright DAI) competition. The Fulbright DAI program provides primary and secondary teachers/staff with a unique opportunity to develop greater expertise in their subject areas, enhance their teaching skills, increase their knowledge about the United States, and complete an individual or group project. The Application period for the Fulbright DAI began on December 15, 2023 and will end on April 30, 2024.

In connection with this program, I am writing to request your assistance in disseminating information about the Fulbright DAI and other scholarship programs by encouraging eligible/potential faculty members and staff who are looking for educational opportunities in the United States and are committed to serve and return to our country upon completion of their Fulbright DAI grant. The Fulbright DAI program is eligible for primary and secondary school teachers with five or more years of classroom experience who hold full-time teaching positions in all subjects. Library media specialists, guidance counselors, curriculum specialists, special education coordinators, administrators and other educators who work directly with primary and/or secondary students in a primary or secondary school that serves a primarily local (not expatriate) population at least fifty percent of their time and teacher trainers may also apply to the program.

Please feel free to contact us for any questions and queries at (02) 8812-0919 and look for Ms. Lovely Serrano, Program Officer. Information about the program described above is available on the PAEF website www.fulbright.org.ph and on our facebook page www.facebook.com/philippines.fulbrightcommission.

Thank you for your continued support to the Fulbright Program.

Sincerely yours,

Julio S. Amador III
Executive Director
