**2026 Capacity-Building Workshop on School Resource Gaps and Strategic Interventions**

1. Identifying **School Resource Gaps and Strategic Interventions** is essential to strengthen schools' ability to deliver equitable and quality education. By systematically identifying resource shortages—such as gaps in teaching materials, infrastructure, and human resources—the workshop enables education stakeholders to make informed, data-driven decisions. It also equips participants with practical strategies to design targeted interventions, optimize resource allocation, and foster collaboration among schools, local governments, and partners. Ultimately, this initiative supports more responsive educational planning and helps ensure that all learners, especially those in underserved areas, receive the support they need to succeed.
2. In connection to this, there will be an orientation relative to this matter on May 14-15, 2026 (venue will be announced once available) (see Annex 1 for meal provision).
3. It will be attended by the select School Heads, District PTA Presidents, District ASP Coordinators with their alternates, Lahutay Tungha school recipients, and Municipal Links from DSWD Surigao del Sur as key facilitators for outreach efforts and manage other related responsibilities under the program.
4. There will be **no proxies allowed**. If a participant is unable to attend, they must submit a letter of explanation to the SDS Office, unless they are officially on travel.
5. For queries, please contact Mr. Marieto Cleben V. Lozada, SEPS of SocMob and Mr. Melchor O. Catcha, EPS II of SocMob respectively.
6. Immediate and widest dissemination of this memorandum is desired.
