SUBJECT: **Capability Building for School Heads of Private Schools cum Convergence Meeting**

1. In pursuit of quality education, private schools in the country played an important role. Those students who cannot be accommodated in the Public Schools opted to enroll in a private school. The government spent billions of pesos for the Government Assistance to Students and Teachers in Private Education (GASTPE) in order to subsidize the students enrolling in private schools.
2. With this, it is imperative that the Division Office shall have proper data management and updated records of private schools to ensure the promotion and protection of accountability and transparency by complying with the standards.
3. Hence, the SDS Division Office through the School Management, Monitoring and Evaluation Section of the School Governance and Operations Division will conduct a **Capability Building for School Heads of Private Schools cum Convergence Meeting** on October 9, 2019 at venue to be announced later.
4. There will be no registration. Travelling expenses, per diems and incidental expenses of the participants from private schools shall be charged against their School Funds subject to the usual accounting and auditing rules and regulations.
5. Widest dissemination of this memorandum is highly recommended.
