**MONITORING AND PROGRESS REPORT ON THE IMPLEMENTATION OF THE  
 KHAN ACADEMY PROGRAM**

1. This Office hereby issues this memorandum relative to the Progress Tracking and Monitoring on the Implementation of the Khan Academy Program, which presents the performance of the implementing schools for the period covering November 1 to December 15, 2025, based on the results of the Division’s dashboard tracking and monitoring.
2. The report provides insights into the progress, utilization, and engagement levels of learners in the use of Khan Academy as a supplementary learning platform for Mathematics. It also presents school performance and identifies implementation gaps and areas needing intervention.
3. Attached herewith is the Monitoring and Progress Report, which presents a summary of the Division Khan Academy dashboard analytics for the period November 1 to December 15, 2025. The report includes data on school-level activation rates, learner engagement levels, average weekly learning minutes, skills completed, and active user participation across the nineteen (19) implementing schools, providing a quantitative overview of program utilization and learner engagement during the monitoring period. *(Enclosure 1 – Full Ranking Table of Implementing Schools (based on dashboard indicators))*
4. In view of this, all Khan Academy Implementing Schools are directed to:
  - a. carefully review the attached Division analysis and monitoring results; and
  - b. implement the school-level intervention plans submitted to the Regional Office during the Program Implementation Review (PIR) conducted on December 11-13, 2025, ensuring alignment with identified gaps and priority areas.
