 No. 271, s. 2025

To: Public Schools District Supervisor/ Districts In-charge
 Elementary & Secondary School Heads
 Teaching and Non-teaching Personnel
 All Others Concerned

NATIONAL DISASTER RESILIENCE MONTH CELEBRATION 2025

1. The National Disaster Resilience Month (NDRM) is observed annually across the country through activities that promote and strengthen disaster resilience. The observance represents a shift from simply raising disaster awareness to fostering a deeper culture of resilience—emphasizing the ability of individuals, communities, institutions, and the state to adapt, withstand, and recover from the impacts of hazards through effective risk management and collective action.
2. NDRM 2025 theme: *“KUMIKILOS” Kayang Umaksiyon ng Mamamayan na Isabuhay ang Kahandaan ng bawat Isa para maging Ligtas sa Oras ng Sakuna para sa Kahandaan, Kaligtasan at Katatagan.*
3. The observance seeks to reinforce our collective and ongoing commitment to disaster preparedness, safety, and resilience—especially among our learners, as well as our dedicated teachers and non-teaching personnel. More than a call to action, it embodies a dynamic, whole-of-nation approach that champions continuous improvement, shared responsibility, and enduring collaboration.
4. In this regard, all schools are advised to spearhead activities for the whole month of July, including but not limited to,
 - a. posting of localized NDRM 2025 Banner (see Enclosure 1) to be hanged in a conspicuous area within your respective schools
 - b. conduct of mandatory unannounced earthquake drill,
 - c. integration of disaster risk reduction and management and climate change adaptation and mitigation (DRRM-CCAM) topics and concepts in curriculum, materials may be access through this link <https://www.deped.gov.ph/climate-change-education/>, and
 - d. other DRRM- related activities at <https://tinyurl.com/SDS-DRRM-IECMATERIALS>
